

-2-

Moreover, it is well established principle that an Applicant may be their own lexicographer in whatever terms they use, so long as the terms are not used contrary to accepted meanings in the art, which clearly is not the case here (see MPEP Section 2173.01). Accordingly, the two-way mobile devices of Sakamoto cannot provide the claimed invention. Therefore, Claims 1, 50, 53, and 57 are not anticipated by Sakamoto, and withdrawal of the rejection of these claims and their respective dependent Claims 2-12, 18-24, 28-31, 33-36, 38-42, 45-49, 51, and 59-61 is requested. For reasons argued in the Amendment filed March 3, 2003, Applicant believes that Claims 25-27, 37, 54-56, and 58 are also not anticipated by Sakamoto, and withdrawal of the rejection of these claims is requested.

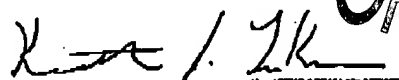

Claims 13-17, 43-44 and 52 were rejected under 35 U.S.C. §103(a) as unpatentable over Sakamoto in view of U.S. Patent No. 6,418,305 (Neustein). For reasons argued in the Amendment filed March 3, 2003, Applicant believes that Claims 13-17, 43-44, and 52 are not obvious in view of Sakamoto or Neustein, either alone, or in combination, and Applicant request withdrawal of the rejection of these claims.

Claim 32 was rejected under 35 U.S.C. §103(a) as being unpatentable over Sakamoto in view of U.S. Patent No. 6,389,114 (Dowens et al.). For reasons argued in the Amendment filed March 3, 2003, withdrawal of the rejection of Claim 32 is also requested.

Applicant believes the Application is in condition for allowance, and in absence of receiving such allowance, wishes entry of this Response for purposes of Appeal.

Respectfully submitted,

Dated: August 8, 2003

Kenneth J. LuKacher  
Attorney for Applicant
